

TUITION PAYMENT POLICY

Kindergarten - 11th Grade

Tuition is not prorated if your student is absent due to illness, staying with a relative or friend, on a family trip or for any other reason presented to the office. Per board policy, if after 30 days any account is delinquent, the student may be removed from West Valley Christian School and may not be allowed to attend class until the account is brought current. If a student is dismissed or transfers, the tuition will be prorated based on the number of days in the school year. When a student is withdrawn from school (or at graduation), all financial obligations need to be paid before grade sheets and/or transcripts are released. Students may not return to school for a new year if the account remains delinquent from the preceding year.
